Comment:

- * Confirmed by another source (R) who reported in addition that an advance party of a tank unit had been temporarily located in DOBRILUCK up to mid-June 1949.
 - a. According to previous information, a veterinary depot (APN OS OSI) is located in ALTLANLSBERG.
- ** b. The 91st Tank Regt (Cadre) of the 9th Pecz Div (Cadre) was previously located in DOBRILUCK, from where it was transferred to LUBBEEN (Jaeger Kaserne) in early May 1949. The 383rd 86s SP Arty Regt (Cadre) of the 9th Pecz Div (Cadre) has so far been assumed to be located in DOBRILUCK. The information on DOBRILUCK (by two sources) indicates that troops are no longer stationed there. It is therefore necessary to ascertain the present location of the 383rd 86s SP Arty Regt (Cadre).
- c. The information on the other towns in the Province of Brandenburg agrees with previous reports.
